Hon. Duncan E. Mackinlay

House of Representatives - Washington.

Dear Mr. Mackinlay,

In my letter to you of Feb. 10th I said "I think that you can do more in half an hour than I could do in a month", and you see that I was right. Your valued and valuable services in behalf of the International Institute of Agriculture will presently be regarded by your constituency and by the people of the United States as a work of the highest merit but at this time what I desire most particularly to do is to tender you most sincerely my heartiest thanks for your effective efforts in my behalf.

Certainly as a Sacramentan I could have no other wish than to see you represent Sacramento right where you are. You are the right man in the right place .

Again thanking you most heartily I remain

Very sincerely yours,

David Rubin.
